1. Checked with [REDACTED] of DD/P on Admiral Overesch's schedule and [REDACTED] informed me that he feels we will be severely limited in the time that we have requested with Admiral Overesch.

2. At DDR's request I asked OCI to prepare a memorandum tracing the intelligence received on the French landing or shelling of the coast in Indo-China. This memorandum was delivered before the day was over and has been routed by DD/I to DD/P.
